

Angel Fire Recycling Program

Angel Fire Solid Waste and Recycling Collection Center
(55 Camino Grande, just northeast of new athletic fields) (575-377-6967)

Glass bottles, plastic bottles (#1 & #2), aluminum cans, corrugated cardboard, copper, motor & cooking oil, antifreeze, CFL bulbs, steel, lead-acid batteries, rechargeable batteries, inkjet printer cartridges, Christmas lights, computers and computer components, and green waste/slash/pine needles

Village Recycling Park (next to Village Hall)

Place corrugated cardboard and bagged plastic bottles and aluminum cans in the green recycling trailers.
Glass goes in special GREEN dumpster next to recycling trailers.
